Spectralink Versity 9240 Series Upgrade Terms and Conditions

- This is 1 for 1 trade in deal. The discount will apply for every new 9240 handset purchased when a used handset is taken out of service.
- The new handsets will be invoiced at standard pricing and a credit issued against the customer's account for $100 per handset purchased upon receipt of the signed declaration form.
- The declaration form will need to be returned to Wavelink within 45 days of the purchase order.
- Legacy handsets applicable include Spectralink 84-series, Ascom, Cisco, or Zebra handsets.
- Reseller must have Spectralink Versity online Sales & Technical Certification.
- The offer does not apply to orders with special project pricing and may not be combined with other offers.
- This offer applies to orders placed before 30 June 2021.
